Reason there are fewer than three comparable properties

I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

No directly comparable sales have occurred within the past six months. Recent high-value South Yarra sales, including on William Street, differ materially in land area, improvements, architecture, heritage, accommodation and condition, and are treated as indicative only. Greater weight has been given to substantial landholdings and premium residences nearby, with allowance for their differences. The price reflects the property's land size, location, improvements, heritage and architectural attributes, privacy, established gardens and scarcity within the South Yarra market.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.

Sale price	$7,300,000	Unconditional sale date	14/11/2026
