Gurner Street, St Kilda, Melbourne
It's hard to find a place in this dense bayside suburb that doesn't have a block of flats peering over a fence, which makes luxurious Lauriston a rare discovery. Nestled in a beautiful, walled garden, the four-bedroom home is a genteel conjugation of traditional Federation formality and open living. Abercromby's RE, 0408 053 623. Auction April 26; bids from **\$1.8 million**.
