Reason there are fewer than three comparable properties

[X] **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

There have been fewer than three comparable sales within the past six months due to the limited turnover of similarly sized houses in this tightly held Toorak pocket. Recent transactions within the relevant $3.5–$4.0 million range are scarce, particularly properties offering comparable land size, accommodation, condition and location.
