Reason there are fewer than three comparable properties

☑ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

While a number of recent sales were identified, only 204/1095 Malvern Road, Toorak was considered sufficiently comparable to the subject property based on its location and overall offering. The remaining sales had material differences in property size and offering, or were located outside the prescribed two-kilometre radius. Accordingly, fewer than three comparable properties were considered appropriate in determining the estimated selling price.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
